

Epson EB-1935

DATASHEET

An ideal device for corporate or educational use, the EB-1935 is a great combination of quality output and features at an affordable price.

Convenient use

The Epson EB-1935 combines high-quality output, value-added features and affordability, into a compact and portable projector. It is perfect for corporate or educational use, as it can be easily installed in meeting rooms or used portably from a desktop.

High quality picture

Utilising Epson's 3LCD technology to ensure clearly projected images, the EB-1935 produces vivid, natural colours and an equally high White and Colour Light Output, even in daylight.

Connectivity

The EB-1935 boasts a DisplayPort connector, allowing you to show high definition audio and video content with ease.

Enhanced productivity

Productivity can be greatly increased with a range of features available with the EB-1935, such as Quick Corner.
